Understanding HEALY

I am pleased and excited to share with you the subtle energy impulses that emanate from the Healy Resonance instrument. Each Healy edition (or model, or unit) is essentially a microcurrent frequency generator that accesses your personal information field (your subtle energy field) that surrounds your body and your being. The Healy contains an analyzer (a quantum sensor) that reads your energy field and the waves of various frequencies surrounding you.

When the proper balancing program for your needs has been determined it can be selected and programmed to balance your energy field (your information field). While the input is very gentle and subtle, the effects are powerful. I have had wonderful results with this new health enhancement, as have several of my patients.

The Hertz frequencies and energy programs that the Healy utilizes are stored in the "Medical Cloud" that can be accessed by Healys all over the planet. Any Resonance or Professional Healy device can direct an appropriately chosen program to a specifically designated individual wherever they are on the planet. The information field surrounding you accepts this gentle quantum energy input, and your body then balances itself in amazing and surprising ways. A few beneficial outcomes have included increased calm, more balanced energy, and relief from pain, stress, or emotional discomfort.

The energetic healing programs are composed of numerous Hertz frequencies that are compatible and beneficial to your body, psyche, and entire being. Numerous balancing programs are available through Healy's Medical Cloud. When properly applied, these balancing programs assist your body to feel better, perform better, have more energy, and even experience rich benefits you may not have anticipated.

While it does not have dangerous and destructive consequences, this modality must be applied prudently by someone who has studied and learned the ins and outs of this microcurrent frequency generating device. I invite you to [contact me](#) concerning this wonderful new treatment option. I can explain a little more and we can find a time for you to directly experience the [balancing and invigorating power of HEALY](#).
